DARO
A GREAT PLACE TO BE SITTING

With over 40 years heritage in cane and rattan furniture design and production, Daro continue to be a family business dedicated to the innovation and development of the UK market. All of the Daro indoor range is beautifully handcrafted in Indonesia, incorporating a variety of high quality rattan and cane materials to suit a variety of furniture styles.

With our own British soft furnishings factory, we make all our own upholstery and are proud of the expertise and quality products we produce from high quality fabrics, selected to coordinate with our ranges and to provide plenty of choice for you.

Our furniture is only available through our network of stockists who have the understanding and knowledge to help you make the right decision for your home and who enable you to see and try the product locally. This established relationship has helped us to receive accolades for both product and customer service over many years.

ELGIN LOUNGING

Mid-century modern has made a comeback, beautifully demonstrated by the Elgin range. Warm light natural wash rattan panels coordinate with the planed cane arms and neat wooden feet make it a great addition to any home. Add Kayu tables in matching Mindi wood to complete the look.

The versatility of the range has been enhanced by the addition of a Chaise sofa in two sizes, with the option to have it as a left or right seat. This works wonderfully along side the standard chair and sofa options.
