# Gas Fire Pits

## 3: THE SLATE SQUARE GAS FIREPIT 120 x 120cm

We have developed a dining height gas Firepit to compliment our biggest selling Weave colour. The Slate Square Gas Firepit is a good height for our many Corner and Lounge Settings as well as an option for our many Dining and Relaxing Chairs.

This Gas Firepit come with all the safety features that earns its CE approval.

This Firepit also includes Decorative Glass Beads and a Glass Safety Surround to enhance the adjustable height Gas Flames

## 4: THE NEW TAHOE GAS FIREPIT 150 x 100 x 55cm

We have been developing this product now for the last two years, but didn't want to present to our customers until we had the best offer. After looking at what was on the market most were too small or wrong height, so after lots of research we decided on Tahoe.

It's a good size and big enough so families can put Drinks and Plates of Food. Eat and relax all from one level.

The Tahoe comes with all the safety features required to pass CE approval. The Tahoe includes Decorative Glass Beads and Glass Safety Surround to enhance the adjustable height Gas Flames.

Take the "Chill Out of Chilling Out".

Enjoy Tahoe with any of the "Kensington Outdoor Ranges"

# Napa Valley

The range cleverly consists of only a few items, but because we offer them all individually you make your own selection to suit your space. This also will allow you to add more if required. The range has the following items: Comfort Corner, Extension Middle, Armchair, Footstool.

Some examples:

To make a 2 Seat Sofa, order 2 Corners. To make a 3 Seat Sofa, order 2 Corners and an Extension Middle. You can then also use these to make a square corner unit, the shapes are endless. **The Tahoe Firepit looks great with this collection - Enjoy!**
