A great place to be sitting

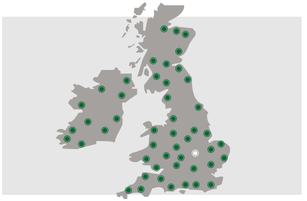
Our soft furnishings are made in the UK



Stockist Network throughout the UK and EIRE

Handcrafted frames made in Indonesia

With over 40 years heritage in cane and rattan furniture design and production, Daro continue to be a family business dedicated to the innovation and development of the UK market. All the Daro indoor range is beautifully handcrafted in Indonesia, incorporating a variety of high-quality rattan and cane materials to suit a variety of furniture styles.

With our own British soft furnishings factory, we make all our own upholstery and are proud of the expertise and quality products we produce from high quality fabrics, selected to coordinate with our ranges and to provide plenty of choice for you.

Our furniture is only available through our network of stockists who have the understanding and knowledge to help you make the right decision for your home and who enable you to see and try the product locally. This established relationship has helped us to receive accolades for both product and customer service over many years.

KEY FEATURES

TOP QUALITY FRAMES
We work with highly skilled teams in Indonesia to bring our exclusive designs to life. Each frame is created using a combination of hand-honed skills and the latest technology using only the highest grade raw materials.

UK MANUFACTURED CUSHIONS
Our own UK based Soft Furnishings Division manufacture cushions to a very high standard, using quality materials and ensuring compliance with all UK Fire Retardency regulations.

2-YEAR WARRANTY
We offer a 2-year warranty on our Indoor Products when you register your purchase via our website.

TOUGHENED GLASS
Every table we produce only uses toughened glass, thus ensuring total safety for your complete peace of mind.

SUSTAINABLE
Cane and rattan is ecologically sustainable, growing up to 6 metres per year in areas which cannot support other crops, it is truly environmentally friendly.

GALVANISED STEEL SPRUNG BASES
Will help optimise the shape and comfort of your base cushions to maximise their appearance and give you complete satisfaction for many years.

ABINGTON

A bold and striking design hand-woven in extremely strong natural Kubu, the fashionable grey hues make this a desirable `of the moment´ range. This furniture is ideal for any living space and you can team it with many of our fabrics to create either a cutting-edge look or a more timeless scheme. Worthy of mention is the `Snuggler´ armchair – a little bigger than the standard armchair and as the name implies, a very cosy addition to your room. There is also a luxurious corner set, which can be seen on pages 8-9.

ELGIN

Mid-century modern has made a comeback and this is so evident with the in-vogue Elgin range. Warm light natural wash rattan panels coordinate with the planed cane arms and neat wooden feet. There are two quirky table options in matching Mindi wood. Shown here in the new 2019 fabric Santiago, the Corwin is a beautiful coordinating fabric for that truly retro look, but you can of course have the pick of any fabric collection to create your own individual style.
